

Generating Energy From Food Waste

June 2015

Parking up
6,719 VW
Passats for 1
month

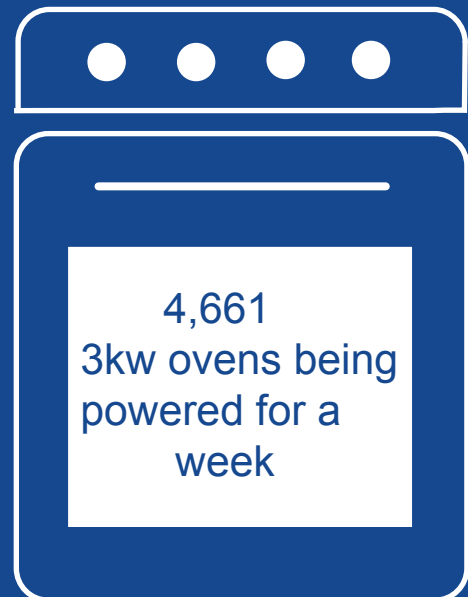

lighting up to
5,508 60 watt
bulbs for 5
hours

In June
we collected and
diverted 847 tonnes of
food waste
from landfill,
and this
equates to ...

763 tonnes of Co2
saved through
diverting food
waste from landfill

4,661
3kw ovens being
powered for a
week
